PROFILE SUMMARY

A practical knowledge seeker, aspiring to work in an environment where my skills and knowledge reflects the growth of the company and enhance my knowledge as well as experience.

EDUCATION

B.Tech in Computer Science Engineering
Toc H Institute of Science & Technology
2019 – 2023 | Cochin, Kerala, India

PROFESSIONAL EXPERIENCE

Applab Software Trading 02/2025 – Present
UI Designer Doha, Qatar

- Delivered UI designs for web apps, dashboards, and mobile platforms in a fast-paced product environment.
- Collaborated with BAs, UX researchers, and developers to transform requirements into scalable interfaces.
- Designed components and refined interaction patterns to enhance usability across multiple internal systems amid overlapping deadlines and rapid iterations.

Supreme Committee for Delivery & Legacy 04/2026 – 06/2026
Senior UI/UX Designer • Contract Onsite • Doha, Qatar

- Led end-to-end UX/UI design for multiple high-visibility web platforms, including official tournament and organizational websites.
- Played a central role in reviving and modernizing SC's primary digital presence — improving usability, visual consistency, and overall clarity at scale.
- Worked cross-functionally with stakeholders, developers, and content teams to turn complex requirements into clean, intuitive user experiences.
- Delivered accessible, brand-aligned designs for a global audience — consistently, under fast-paced timelines, without compromising quality.

Qatar Rail 12/2025 – 02/2026
UI/UX Designer • Contract Onsite • Doha, Qatar
Leading end-to-end interface planning for internal HR and AI-assistant tools, translating complex workflows into simple, usable employee experiences.

Tungston Labs

> **Creative Head** 06/2024 – 02/2025
> Lead a creative team to design and deliver user-focused digital solutions, ensuring innovative and impactful outcomes aligned with user needs and business goals. Cochin, Kerala, India
>
> **UI/UX Designer** 03/2024 – 06/2024
> Worked as a full-time UI/UX Designer for a fast-paced startup on major projects. Honed my skills in creating intuitive, user-centered designs under tight deadlines. Cochin, Kerala, India
